

Metered LED Light

\$3.00 / month + kWh usage

- ✦ 5600 lumens
- ✦ Lights are only installed on Clearwater-Polk utility poles
- ✦ No cost for us to maintenance the lights
- ✦ Clearwater will install light near top of pole, run wire through conduit (provided by Clearwater-Polk) down to the meter point
- ✦ Member is required to hire an electrician to wire the light to the meter

Unmetered LED Light

\$9.00 / month

- ✦ 5600 lumens
- ✦ Lights are only installed on Clearwater-Polk utility poles
- ✦ No cost to you for us to maintenance the lights unless it was vandalism
- ✦ Clearwater will install a light near top of pole and wire it directly to our service

NO EXISTING POLE on site?

For a cost, please contact Clearwater-Polk's Line Super Intendant/Operations Manager Todd Waggoner
(218) 694-8203 or Ext: 1004
